RE: Memo for Presentation of the Hugh Howell Road Corridor Study

Contract/Document Number:

Issue/Topic:

Presentation of the Hugh Howell Road Corridor Study

Recommendation:

Staff recommends that we proceed with the design and implementation of projects as outlined in the presentation.

Background:

Transportation concerns include:

- Pedestrian accessibility/safety
- Speeding
- Safety
- Sight Distance
- Access Management

Summary:

Kimley Horn has worked with staff to identify specific projects.

There are a total of 38 recommendations with projects varying in magnitude from \$5,000 to \$5,000,000.

Recommendations were sorted into 3 Tiers (plus 5 maintenance items).

The project list totals \$12.7M (excluding the trail).

Financial Impact:

No financial impact at this time.
